Parent Volunteer Information: We will use this Invitational as training for parents before the 2008 Summer Region 6 Championships.

Area's to volunteer:

Registration Table Workers: One or two persons should staff the registration table, which is open both days prior to the first event – all day. These people should check off each entrant when they register, collect entry fees hand out registration packets and goodie bags (if available) and make sure all coaches and divers are registered members of U.S. Diving and/or AAU.

Table Workers (3-4 people): These volunteers must have the ability to follow directions, work under pressure, and easily and accurately calculate numbers.

Runners (at least 2 people): These volunteers can be young people in charge of carrying drinks to judges and table workers. They will be assigned to do “go-fer” work.

Hospitality Area: Although we will not require the Hospitality Area for this meet we do recommend that families donate some snacks and drinks for lunch available to athletes, volunteers, and coaches.

The logo for Twin City Divers features a stylized graphic of two diver fins (fins) pointing upwards, with a white outline and a light purple fill. Below the fins, the words "TWIN CITY" and "DIVERS" are stacked in a light purple, sans-serif font.
